If not, increased taxation must be easiet many happy days and ten of the best. Volumes among whom were several ladies, left the plague was recognised; were really due of course be would not be at likely to get any but save to conduce to some improvement in the large was recognised; were really due of course be would not be at likely to get any Pedder's Wharf for the purpose of visiting to the latter. Of the mortality since Sature discusse. But the plague is no respector of per and property of every description. This at all whom at home, my services are at your discusse. But the plague is no respector of per and property of every description. This at all whom at home, my services are at your discusse. But the plague is no respector of per and property of every description. hazards should be averted in view of the heavy possi, and I shall apply myself with all losses sustained by the colonists during the last the energy and perseverance I possess in tew years and the still uncertain prespects for the promoting there, in every way possible, the future. In connection with the Po Loung Kuk interests of this free port, which now ranks Society Incorporation Ordinance I readily admit ampaged the very liest of the great esaports in that when it first page before the Council L was under a misepacoption. I was without adequate your generous and princely hospitality, and apmowledge of the work done by the Society, and of its constitution, and I very deeply and sincereregret that I used a phrase, when speaking liteoperations, which was ambiguous and oupable of being misunderstood. I am beartily orry that it was misunderstood, and that gave pain and anhoyance to anyone but ssure you that nothing was farther from my thought, and that my meaning was that which His Excellency the Governor accepted and applied to my words. From another point of view L am not sorry that I ontion led to the appointment of a Commission, to my conversion and to the trium phant vindication of the Po Lauar Kuk after an exhaustive and caroling in reatigation into its past working. The hands of the Society were thereby immedsey strong though and the immediate outcome was time the bank has sustained no losses through the incorporation of the Society by an unumous lits Chinese ouslomers. I heartly wish you vote of the Council, and the granting of a sum each and all a long life of many of public money to ousble the Po Leung Kik to happy days increased prosperity, numerous male continue and extend its valuable services and children, may you all live to be gradifuthers and good work. It is certain that I have made miss prent grandfathers, and may every blessing and takes let the Council, and I suppose in every happiness attend you and yours. Already I menakes lu the Council, and I suppose in every. other part L have played in life, but you know tioned that I have fived ton years very happily the old aphorism - The man who did not make smong you and I have had the best of health mislayes never made mything ... I think I have made something, for the result of most of my contests with the local authorities and of my appeals to the Marquis of Ripon, the Right tom river, days after dock on the Macac river. longurable the Secretary of State for the Partridge and woodcook up the West river Colodies, has been some improvement in the pheasant on the Yangters, and a turn after the management of our local affairs. As to the present mayement for more control in Durely midst soon after the end of the year, stimulated local affire. I am very honoful, in view of by your address to fresh exertions, and inspired promises of support I hav) received from leading with new ideas and plans for the public weal. members of the Imperat Parliament, that time some success may attend my efforts to perity of our Chinese friends obtain for the colony what has been granted to The toast of our Chinese friends was drunk so many dependencies of far less importance with as much cordiality as the four Europeans than Hongkong, vis., a full and fair measure of present would exhibit, and Mr. Sin Tak Fan igent self government. As far back as the responded. th June 1892 I angrested in Council that His I Excellency Sir William Robieson should secure pressing regret that China had not yet the for Hongkong a majority of unofficial members, privilege of a free and enlightened pross. but will continue It is, I am happy to be uves of the responded to by the representaable to sasure you, being numerously signed. The health of the Chairman, which was drauk day, as if he had been sware of it he would have have assembled here to day to say good-bye to high as any Bank in the East in the estimation All are agreed that some reform is necessary, with musical harmers, and the toast of Mr. Mar-

and equity of the British Government by taking up your domicile here and bringing your families to make their homes in Hongkong, and by bocoming naturalized British subjects, will be in full possession of such modified right of representation as is fitting and proper. course only British subjects can expect to chare actively in the election of representatives and only those Chinese who have made this their permanent home can acquire that character, Your friendly reference to the Chartered Bank of India Australia, and China, of which I hav had the honour to be manager here continuously for the past ten and a halt years, is extremely gratifying and I bave no doubt the sharoholders and directors will greatly appreciate the fact that the Chimes hold the bank in such high cateem. Over the long period of time I have boon manager here my relations with the Chi nese baye ever been of the most cordial an friendly nature, I can spoak from a wide and varied experience, and Lam pleased to be able to state that there is no race of people in the world I would sooner trust than the Chinese. their merchants and bankers. During these ten and a half years the bank's transnotions with the Chinese here have aggregated millions upon millions of dollars, and, goat emen, I can offer pe greater testimony to Chinese, commercial solidity and soundness than to say that in all that time the bank has suntained no losses through its Chipose eastomers. I hope you will go on and presper, and with your valuable oc-operation and support I have every confidence in the future of this deterwodly much loved and well favoured little colony. Again I offer you my heartithanks for your complimentary address the scroll and service of plate. I hold dear to my heart the interests and welface of Hongkong. the best years of my life - To day I feel in better health and younger then when I arrived here. and I shall be glad to be back in your midst, stimulated by your address to fresh exertions. and inspired with new ideas and plans for the public weal the result of contact with the igorous, intellectual, and political life of Europe This terminated the proceedings.

COMPANY, LIMITED. The hearing was resumed of the motion by the Comption National d'Escompte de Paris to be placed on the register of shareholders of the Obine Bind and Figures Company, Limited, in respect of 1,500 shares in the Company which had been deposited by Ng Chan Fong, the Bark's compradore, as security incurred or that might be incurred in future by Ng Chau Foug to the Bank, being additional security under terms of an agreement of the 16th February, 1891, and a ond dated 14th December, 1891. Mr. A. J. Lenob. Q.C., instructed by Mr. (i.

C. C. Master (of Messrs: Johnson, Stokes and Master), appeared on boha for the Bank; and Mr. J. J. Francis, Q.C. (instructed by Mr. C. Ewens,) on behalf of the Company and Ng Woon un How Qua, who had been served with a notice of the motion. Mr. Francis asked the Court's permission

oreas-examine Ng Chau Fong. He submitted that the real owner of these shares was How Qua and that the persons in whose names they appeared were merely trustees. The other side alleged that Ng Chan Fong might have title to claim these shares. There was also the duestion under what circumstances and with what authority Ng Chan Fong hold these shares. If he held them as trustee, without any which I have spent many happy days and ten of power or authority to deal with them, he could not give any title to the pledine, even if he held blank teamsters; and if Ng Chan Fong held that power of authority to pledge the shares then he could give only a limited title to them. Then there was the question as to the precise circumstances under which he did deposit these wheres with the bank the question, whether How Qua knew or authorised this deposit at the time it was made; and, farther, to what extent ha ratified or approved or sanctioned, the deposit when it came to his knowledge after it was made; what was the real amount of dudebtedness of Ng Caua Fore to China made a very handsome present to the Hon. the Bank - how much of that was incurred be-H. Waitehead, the manager here, the other fore the date of the agreement and how much Patter? Phorefore be (Mr. Francis) asked his Lordship to postpone the further consideration of the case until pleadings had been filed and the matter came up for proper trial.

Mr. Leach replied by urging his wight to After some discussion the case was adjourned until Tuesday morning.

SIR.—The above subject is of supreme im portained especially at the present juncture,

when the colony is partially affected with a kind of epidemic resembling the black plague of Loudon. Though strongly inclined to the practice of -cromation, for barial in earth is a practice which on constary grounds is entirely to be condemned. being a powerful agent for the propagation of germs which infect and poison the surrounding atmosphere and prove highly dan- ing prior to the publication of the regulations. twenty-four hours after death Sir Henry Thomson, in an article on the "Progress of The Admiralty authorities, in carrying out under penalty, and furthermore emphasised the to be available as armed or users in time of war. orying necessity of this practice in the following pregnant words: - 'Lwill rank as a national folly, if not a crime! to omit this, or an equivaimportance of protecting the living; since there of Commons an Irish Land Tenure Bill, which on be no difficulty in resorting to this mode of in designed to protect improvements made by lessening if not extinguishing the risk from in- tenants from confication. The second reading fection"-Yours truly.

R.M. MEHTA of 80 Hongkong, 13th May 1894

Hongkong, 13th May ISB4.

A SUGGESTION

TO THE EDITOR OF THE "DAILY PRESS"

DEAR, Sig.—What is this disease that is coming upon us stealing into our, midst like a thiof in the might? This is not going to be an edvortisement for Mother Siggel's Syrap. I do not think that valuable rouledy for so many schemes and pains would be many arrai in abiling this plagme that threatens some colony, at the present moment, a plagme that it similar in all appearances to the great plagme of London, the Black Plagme of 1665. Let us take steps to cheek its advance. Perhaps one worthy Samitary Board thorough purification of the town. Sint with hardly enough water for drunking partoges, late the relative to the state of the pression of the town. Sint with hardly enough water for drunking partoges. Rain we may get before long, good hasyy rain that will do all that is needed; they servery beard of the town of the to that will do all that is needed; there is every promies of it, yet it holds off; therefore, let us find a substitute. I believe the Sanitary Beard Loudent, who is now visiting Southamp.
